

# inhabit

# APRIL 26-27 • 2024 SEATTLE, WA

Inhabit is our annual national gathering, connecting us to be the Church in and across our neighborhoods. This year we'll continue to build together for the future of the church in the neighborhood.

## ***NEIGHBORHOOD STORYTELLING***

Our Common Sessions are filled with stories from everyday people in everyday places. We learn from a diverse cross section of stories to make the movement visible and celebrate everyday heroes living out God's dream in their neighborhood.

## ***LITURGY FROM THE GROUND***

Original liturgy, poetry, interactive art and music play a vital role in the way we gather for Common Sessions at the Inhabit Conference. These collective experiences animate our imagination, give voice to our theological hopes and help shape our faithful actions.

## ***LEARNING ENVIRONMENTS***

Through keynote talks from leading parish practitioners, spaces of dialogue, geographically organized meet ups and curated workshops, learn with us to be the church in and across our neighborhoods. Explore topics like Neighborhood Economics, Asset Based Community Development, Built Environment & Placemaking, Spiritual Formation of Place, Equity & Linking Across Difference, and Parish Church Planting & Revitalization.
